

Map Source: Google Maps UK

Witham is situated north-east of London on the A12, between Chelmsford and Colchester.

Approach from South-Bound A12

Exit from A12 at B1389 Witham junction (also signposted Little Braxted, Maldon, Industrial Areas). Follow exit road over A12 and take first right immediately after north bound slip road into Eastways Industrial Estate. Take next left. We are located on left hand side approximately 350 metres after left turn, set back from the road.

Approach from North-bound on A12

Exit from A12 at second Witham junction marked B1389 Witham (also sign posted Little Braxted, Maldon, Industrial Areas). Follow exit slip road and at the traffic lights turn immediately right into Eastways Industrial Estate. Take next left. We are located on left hand side approximately 350 metres after left turn, set back from the road.

Approach from M11

Exit from M11 at junction 8 and follow A120 in direction of Colchester. At Braintree bypass roundabout, turn right onto B1018 signposted Witham. In Witham, follow signs to Colchester (A12). Just before the A12, turn left into Eastways Industrial Estate. Take next left. We are located on left hand side approximately 350 metres after left turn, set back from the road.
